A country house, located just outside the picturesque village of Murla with wonderful mountain views. South facing this property is ideal for a large family home or alternatively could be a walking retreat, space for horses, or breeding of dogs. The property has some of the lands fenced off for the safety of children and animals and the rest left a natural with the minimum of work per year! A spacious hallway leads into the family Lounge with beamed ceiling, wood burning fireplace flowing into a dining area and adjacent kitchen and utility room, all open plan. Doors lead onto the terrace ideal for winter sun and summer shade. Currently, there are two offices used by the owners but could be further bedrooms, and also two guest bedrooms with fitted wardrobes interconnecting with a bathroom. Separate WC and shower room and door to outside. A country house, located just outside the picturesque village of Murla with wonderful mountain views.
